Perspectiva Isométrica 1

Nombre alumno/a:

curso:

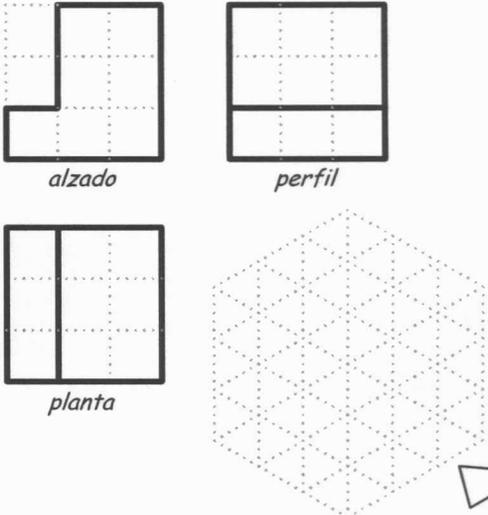

alzado

perfil

planta

Isometric drawing of a stepped block with a mouse cursor pointing to it.

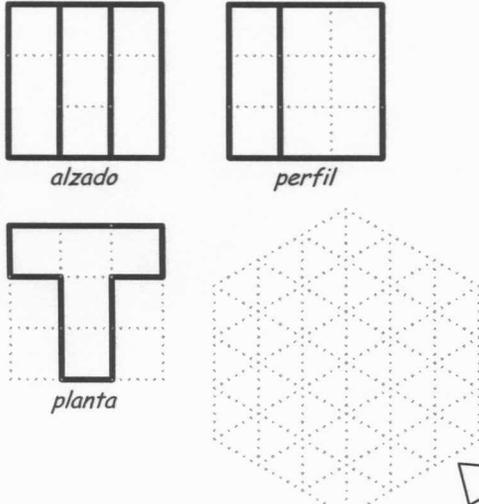

alzado

perfil

planta

Isometric drawing of a stepped block on a grid with a mouse cursor pointing to it.

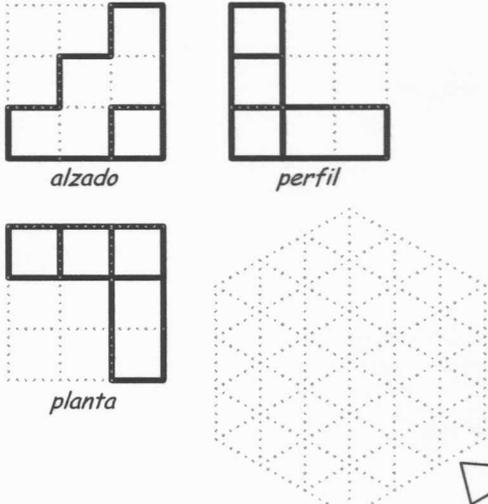

alzado

perfil

planta

Isometric drawing of a T-shaped block with a mouse cursor pointing to it.

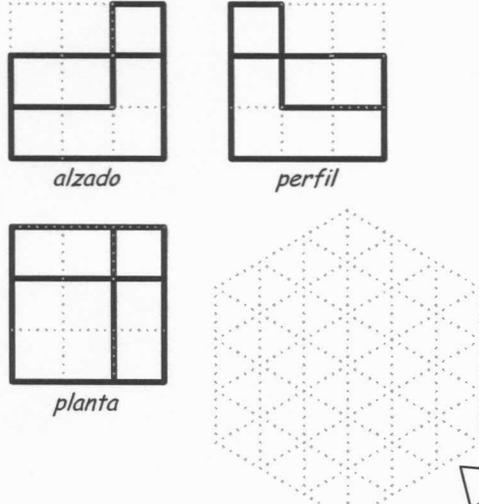

alzado

perfil

planta

Isometric drawing of a stepped block on a grid with a mouse cursor pointing to it.

Isometric drawing of a stepped block on a grid with a mouse cursor pointing to it.

Perspectiva Isométrica 2

Nombre alumno/a:

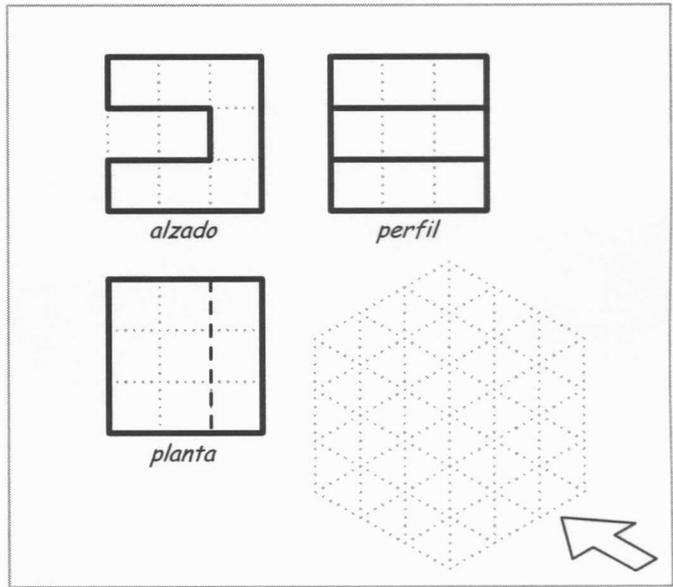

curso:

alzado perfil

planta

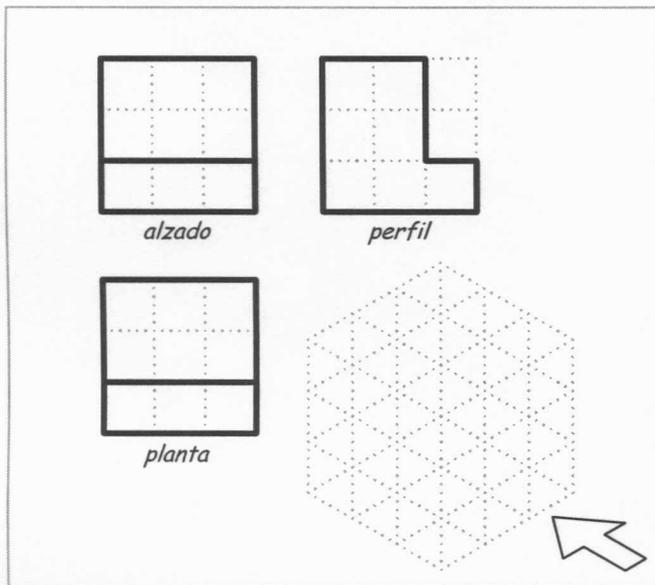

This exercise shows a 2D orthographic drawing of a stepped block. The front view (alzado) is a 3x3 grid with a central square missing. The side view (perfil) is an L-shape. Below these are the top view (planta) and an isometric grid with a mouse cursor pointing to it.

alzado perfil

planta

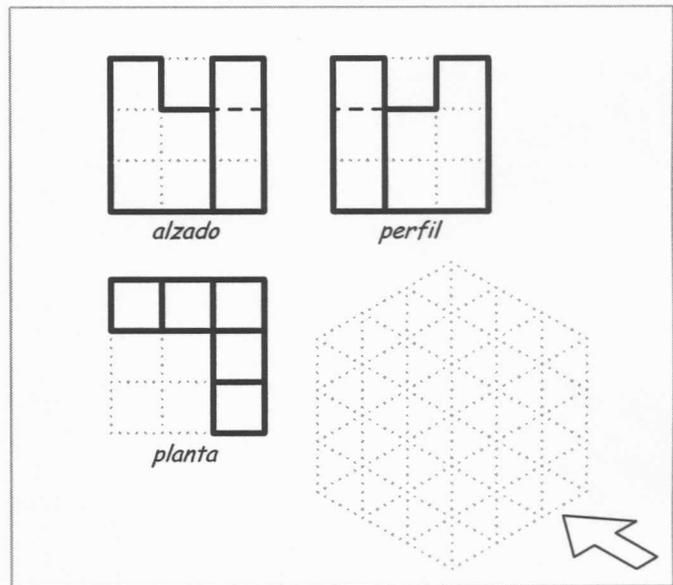

This exercise shows a 2D orthographic drawing of a stepped block. The front view (alzado) is a 3x3 grid with a square missing from the top-left. The side view (perfil) is a 3x2 grid with a horizontal line. Below these are the top view (planta) and an isometric grid with a mouse cursor pointing to it.

Perspectiva Isométrica 3

Nombre alumno/a:

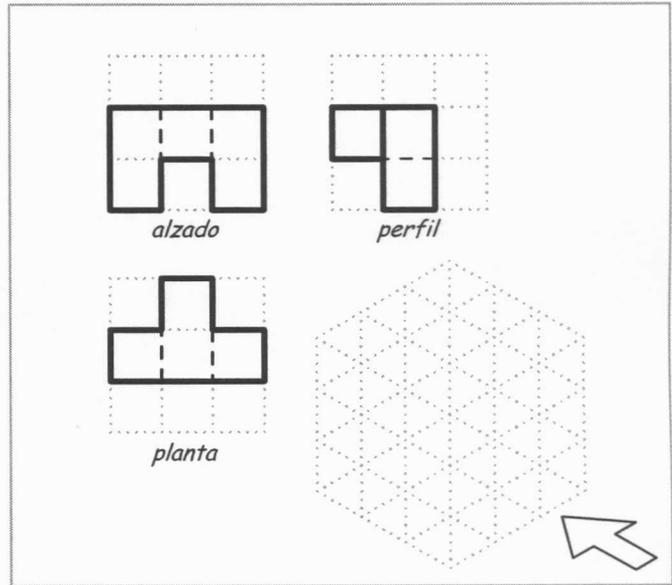

curso:

alzado perfil

planta

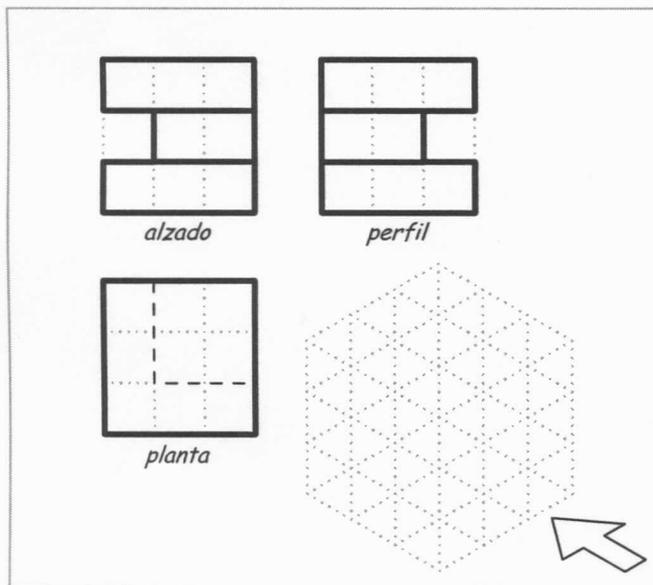

This exercise shows three orthographic views of a stepped block. The 'alzado' (front view) is a 3x2 grid with a 1x1 square on the left and a 2x2 square on the right. The 'perfil' (side view) is a 3x2 grid with a 1x1 square on the left and a 2x2 square on the right. The 'planta' (top view) is a 3x2 grid with a 1x1 square on the left and a 2x2 square on the right. A 3D isometric grid is provided for drawing, with an arrow pointing to it.
